Correct – this is about the R n B. Just need you to know that you have it. And, Marilyn should have the sub's HASP. You may need to share it with HQ.

Thanks

Steve,

I see this report mentions the Red and Bonita site, does it also cover the Gold King Site?

Richard,

This report is independent engineering review of the work at the Red and Bonita and conditions. This needs to be shared as needed for mine site review process.
